

General Description

PDR's 19" Rack Mount Cassette Splitter panel is a vital component in any GPoN/FTTx infrastructure. Designed in conjunction with leading service providers, this compact, integrated panel offers pre-connectorised presentation of the input and output ports on the front of the panel. Each port is clearly labeled.

PDR quality personals ensure product reliability through rigorous qualification testing to assure cable performance and durability in adverse field environments. Excellent quality control is achieved through intense in-house quality check and stringent audit acceptance as per ISO standards.

Features
